**Kevin
Fletcher**

McCoy Studio Theater

January 15

Executive Director of Audubon International, recently awarded the Makena Golf Course a certification in environmental planning for golf courses.

Mark Plotkin

McCoy Studio Theater

January 22

World-renowned

explorer, story-teller, *Time* magazine "Hero for the Planet," and star of IMAX documentary, *Amazon*. Dedicated to saving the rainforest and the ancient knowledge of its shamans.

Hunter Lovins

McCoy Studio Theater

January 29

President of Natural

Capitalism, Inc. and co-creator of the *Natural Capitalism* concept. At the cutting edge of environmental thinking for the past 30 years.

Jeff Corwin

Castle Theater

February 5

Emmy Award-winning creator, producer, and host of *Animal Planet's The Jeff Corwin Experience* and *Corwin's Quest*. He travels the world to educate his 13 million viewers on conservation of endangered species and ecosystems—all in a humorous way.

Ray Anderson

McCoy Studio Theater

February 12

Founder and Chairman

of Interface, Inc., called the "greenest chief executive in America" for transforming the carpet industry. His success proves that being green can also bring in the green for big business.

**Phoenix
Motorcars**

McCoy Studio Theater

February 19

Alex Lee, EVP and COO of Phoenix Motorcars, presents the vision for the introduction of EVs and associated infrastructure in Maui County. A leading developer of zero emission, electric vehicles, Phoenix Motorcars along with Maui County and Maui Electric Co. have sights on bringing EVs to Maui beginning in 2009.
